## **Armstrong Relocation Earns Top Ranking for Hauling Volume**

**November 7, 2008**

**ST. LOUIS** – For the twenty-fourth year, Armstrong Relocation received the Hauling Award from United Van Lines for greatest hauling revenue. Hauling was performed by professional drivers from Armstrong's 23 agencies.

"Being recognized again as the largest hauler for the largest van line is an unsurpassed achievement," said Tom Watson, CEO of Armstrong Relocation and Companies. "Operations excellence and hauling leadership is the result of 500 of the industry's best drivers working hand-in-hand with the industry's top dispatchers. This combination enables Armstrong to provide service on virtually any move, any time, anywhere, over 20,000 times last year alone."

As the nation's leading van line, United Van Lines has 7,000 drivers throughout its agency network. The Hauling Award is presented annually to the single agent handling the greatest amount of volume.
